

~~KatrinaSkrovinpelou · Generic Sensor API~~

Lininitations

▶ not all devices have the same frequency in obtaining data

▶ not all devices have the same sensitivity

▶ not all browsers use the same coordinate system

▶ even if a device has a sensor, the browser might not support reading it (eg. light)!

Limitations

- ▶ not all devices have all sensors
- ▶ not all devices have the same frequency in obtaining data
- ▶ not all devices sensors have the same sensitivity
- ▶ not all browsers use the same coordinate system
- ▶ even if a device has a sensor, the browser might not support reading it (eg. light)!
