

~~Katrina Skrivinski: Generic Sensor API~~

Take-home message

▶ Interacting with device sensors takes advantage of even more capabilities our devices AND the Open Web Platform have to offer

▶ It's one step closer to an even more native experience on the mobile web

Take-home message

- ▶ Interacting with device sensors takes advantage of even more capabilities our devices AND the Open Web Platform have to offer
- ▶ It's one step closer to an even more native experience on the mobile web

the end.
